Sign, Low Profile - A free-standing sign erected near ground level and limited to identifying the name of the building or institution on the premises.

Sign, Maintenance - means to permit a sign, structure, or any part of either to continue or to repair or refurbish a sign, structure, or any part of either.

Sign, Marquee - Any sign attached to, in any manner, or made a part of a marquee. See also, "*Awning Sign*" and "*Canopy Sign*."

Sign, Message Center - A sign, or portion of a sign, which displays as a public service the time, temperature, date, public service messages, or controlled reader boards, and where different copy changes are shown on the same lamp or disc bank on which the message changes, mechanically or electronically, more than eight (8) times per day but no more often than one time every five (5) seconds. If any portion of a sign changes more often than one time every five (5) seconds, it shall be considered an "animated sign;" however, any portion of a sign containing a clock or thermometer that changes more often than one time every five (5) seconds shall not be considered an "animated sign." See also, "*Flashing*" Sign and "*Multi-prism Indexing*" Sign.

Sign, Monument - A low-profile, free-standing sign with a solid base on the ground approximately the same dimension as the height of the sign.

Sign, Multi-prism Indexing - A sign made with a series of polygonal sections that turn and stop, or index, to show several pictures or messages in the same area.

Sign, Nameplate - A non-electric sign identifying only the name and occupation or profession of the occupant of the premises on which the sign is located. If any premises includes more than one occupant, "nameplate" refers to all names and occupations or professions as well as the name of the building and directional information.

Sign, Nonconforming - Any advertising structure or sign which was erected and maintained prior to such time as it came within the purview of this Article, and any amendments thereto, and which fails to conform to all applicable regulations and restrictions of this Article, or a nonconforming sign for which a special permit has been issued.

Sign, Off-Premises - A third-party sign which does not constitute advertisement for the primary function of the premises on which the sign is located. It is a sign that advertises goods, products, services, or facilities not necessarily sold on the premises on which the sign is installed or which directs persons to a different location from where the sign is installed. Listed below are three main types:

1. Poster panels or bulletins normally mounted on a building wall, roof, or freestanding structure with advertising copy in the form of pasted paper;
2. Multi-prism indexing signs that are the same as those described above and that alternate advertising messages on the one displayed area; and
3. Painted bulletins, where the advertiser's message is painted directly on the background of a wall-mounted, roof, or free-standing display area.

Sign, On-Premises - Any sign identifying or advertising a business, person, activity, goods, products or services located on the premises where the sign is installed and maintained.

Sign, Painted Wall - A sign painted directly on the exterior wall of a building.

Sign, Pennant - Any lightweight plastic, fabric, or other material, whether or not containing a message of any kind, suspended from a rope, wire, or string, usually in a series, designed to move in the wind.

Sign Plan, Comprehensive - A sign permit application procedure to reward property owners of contiguous properties, shopping centers, or other multi-tenant properties, who plan together to prepare and follow coordinated sign plans in order to prevent uncoordinated sign clutter.

Sign Plan, Master - A sign permit application procedure which requires planning and coordination of signs on a property through submission of a master record of permitted and actual signage on a property. A Master Sign Plan readily provides those who administer the signage resolution with information about what signs already exist on a site when they are considering a permit application for a new permitted sign on the site, and it eliminates the need to recompute permitted sign area and numbers for a property every time a sign administration or enforcement question arises.

Sign, Pole - A freestanding sign supported by one or more pole structures that are anchored in the ground and that are independent from any building or other structure.

Sign, Portable - Any sign not permanently attached to the ground or a permanent structure, or a sign designed to be transported, including, but not limited to, signs designed to be transported by means of wheels; signs converted to A- or T-frames; menu and sandwich board signs; balloons used as signs; umbrellas used for advertising; and signs attached to or painted on vehicles parked and visible from the public right-of-way, unless such vehicle is used in the normal day-to-day operations of the business.

Sign, Projecting - Any sign, other than a "Wall Sign," which is affixed to a building or wall in such a manner that its leading edge projects more than one foot from a building or wall face.

Sign, Public Service Information - Any sign intended primarily to promote items of general interest to the community, such as time, temperature, and date, atmospheric conditions, news, or traffic control, etc.

Sign, Pylon - See *"Freestanding Sign."*

Sign, Real Estate - Any sign pertaining to the sale, lease, or rental of land or buildings.

Sign, Roof - Any sign erected upon, against, or directly above a roof or on top of or above the parapet of a building.

Sign, Rotating - A sign or portion of a sign which moves in a revolving or similar manner, but does not include "Multi-prism Indexing Signs" or "Changeable Copy Signs."

Sign Sticker - A sticker affixed either to the face or the channel of a sign visible from the street denoting the name of the manufacturer or designated servicing company for purpose of identification by Township officials or others.

Sign Structure - Any structure which supports, has supported, or is capable of supporting a sign, including decorative cover.

Sign, Suspended - Any sign that is suspended from the underside of a horizontal plane surface and supported by such surface. See also, *"Projecting Sign," "Swinging Sign," "Under-canopy Sign," or "Under-marquee Sign."*

Sign, Swinging - A hinged sign installed in an arm or spar, which sign is not, in addition, permanently fastened to an adjacent wall or upright pole.

Sign, Temporary - A sign intended to be displayed for a short period of time (e.g., typically thirty (30) days not more than two times per year) and which is not permanently affixed, including all devices such as banners, pennants, flags (not intended to include flags of any nation, political subdivision, or corporation), searchlights, twirling, or sandwich-type signs, sidewalk or curb signs, and balloons or other air or gas filled figures.

Sign, Temporary Window - Any temporary sign, flag or banner that is constructed, hung, placed, painted, or otherwise affixed on the interior of a window for a short period of time (e.g., typically 30 days not more than two times per year) that draws attention to or identifies a business, product or service available on the premises, such as occasional sales, promotions, or a change in the status of the business. Temporary window signs shall not have permanent fasteners, frames, braces, or electrical connections which require permits for placement, and must not have the functional effect of a permanent sign (e.g., a series of temporary window signs that in effect serve as "Changeable Copy" signs.)

Sign, Under Canopy - A sign suspended below the ceiling or roof of a canopy.

Sign, Under Marquee - A sign suspended below the ceiling or roof of a marquee.

Sign, Unlawful - A sign that is not in conformity with this Article, or which the Zoning Inspector may declare to be unlawful if it becomes dangerous to public safety by reason of dilapidation or abandonment, or a nonconforming sign for which a permit required under a different Article was not obtained.

Sign, Wall - Any sign attached parallel to and within one foot of, painted on the wall surface of, or erected and confined within the limits of an outside wall of any building or structure which is supported by such wall or building, and which displays only one sign surface. (Compare to "Projecting Sign.")

Sign, Window - Any sign, pictures, symbol, or combination thereof, designed to communicate information about an activity, business, commodity, event, sale, or service that is placed inside a window or upon the window panes or glass and is visible from the exterior of the window. This term shall not include merchandise located in a window display.

Single-family dwelling - See *Dwelling, Single-Family*.

Site Plan - A scaled drawing of a proposed project showing, among others, the location of property lines, building locations, drives, walkways, lighting, parking areas, fencing and screening, setbacks, and signs as required by this Resolution. See *Article VIII (Site Plan Review) and Article VI (Planned Unit Development)*.

Site Plan, Comprehensive - Building design and signs integrated into one architectural plan, the comprehensive plan being complete in all other building, structural, and electrical requirements.

Skilled Nursing Care Services - Procedures that require technical skills and knowledge beyond those the untrained person possesses and that are commonly employed in providing for the physical, mental, and emotional needs of the ill or otherwise incapacitated. "Skilled nursing care" includes, but is not limited to, the following:

1. Irrigations, catheterizations, application of dressings, and supervision of special diets;
2. Objective observation of changes in the patient's condition as a means of analyzing and determining the nursing care required and the need for further medical diagnosis and treatment;

3. Special procedures contributing to rehabilitation;
4. Administration of medication by any method ordered by a physician, such as hypodermically, rectally, or orally, including observation of the patient after receipt of the medication;
5. Carrying out other treatments prescribed by the physician that involve a similar level of complexity and skill in administration.¹²⁶

Sludge - A solid or near solid by-product of sewage treatment or industrial waste treatment.

Social Activities - The use of land and buildings for clubs, fraternal organizations, veterans' organizations, and similar social purposes.

Solar Panel - A panel containing solar cells or absorbing plates that convert the Sun's radiation into energy for use in providing electricity and heating to building and structures.¹²⁷

Solid Waste Transfer Facility/ Transfer Facility – Shall have the same definition as set forth in Ohio Revised Code 3734.01 (U).¹²⁸

Special Care Inhabitant - A person eligible to be an inhabitant of a special care dwelling, including foster children, and the following when not related by blood, marriage, or adoption to the special care dwelling owner or lessee: the physically handicapped (i.e., those with a full or partial loss of ambulatory functions, or loss of sight, hearing, or are considered as having epilepsy); the mentally ill, where they are in a period of transition between their institutionalization and integration into society; or the mentally retarded, where the competent state, county, or city screening authority and clinical staff clearly indicate, in respect to the mentally ill or retarded persons, that there is no undue burden or risk to the safety of the community. *See also, Institutional Health Care/Home and Group Home.*

Specified Sexual Activities - Includes the display or depiction of casual touching of human genitals, pubic region, buttocks, or female breasts and simulated human masturbation, cunnilingus, fellatio, sexual intercourse, or sodomy, where the genitals cannot be seen.¹²⁹

Specified Sexual Anatomical Areas — Include less than completely and opaquely covered human genitals, pubic region, vulva, buttocks, anus, anal cleft, testicles, or the lower portion of the female breast below a horizontal line across the top of the areola at its highest point, but not including any portion of the cleavage of the human female breast exhibited by a dress, blouse, skirt, leotard, bathing suit, or other wearing apparel provided the areola or nipple is not exposed in whole or in part.
