PERRYSBURG TOWNSHIP INTRODUCES MONTHLY E-WASTE RECYCLING

PERRYSBURG TOWNSHIP, OH—In the United States over 50 million tons of electronic waste is produced each year but less than 30% of said waste is recycled. Beginning with the July 20, 2013 recycling day, Perrysburg Township will accept electronic waste on top of its already established list of accepted recyclable materials. In an effort to aid residents in sustainable practices Perrysburg Township is excited to offer this new service for free!

Recycling is held on the third Saturday of each month, from 9:00 a.m.-noon, at the Perrysburg Township complex on Lime City Road; one must be a resident of Perrysburg Township to participate. This new free service will allow residents to drop off virtually anything with a cord, **except** refrigerators and dehumidifiers. Further, there will be data destruction (crushing hard drives) available for residents who drop off computers.

For more information about Perrysburg Township and the recycling program please visit www.perrysburgtownship.us.
