This week the Wood County Grand Jury returned indictments on two individuals involved in multiple break-ins within the Perrysburg Township area. These individuals were responsible for taking an enormous amount of mechanical tools with losses in the thousands.

In 2012 the Perrysburg Township Police Department investigated the multitude of break-ins and through the investigation an individual was identified who was trying to sell the tools on Craigslist, the Toledo Flee Market, and at a specific residence in Toledo.

From the extensive investigation the investigators were able to identify the suspects which culminated into the Grand Jury Indictments.

The two listed individuals below are now in custody with the final arrest of Joseph Crapsey the 3rd today in Toledo, by the Toledo Police Department.

Respectfully,

Mike Gilmore
Deputy Chief of Police
Perrysburg Township Police Department
