If the subdivision is located in more than one county, the home county auditor (where the greatest taxable value of the subdivision is located) shall obtain the assistance of the other county auditors to establish the total tax valuation of the subdivision.
2. For the purpose of this certification, "subdivision" includes any agency, board, commission, or other authority authorized to request a taxing authority to submit a tax levy on its behalf.
3. "Levy type" includes the following: (1) additional, (2) renewal, (3) renewal with an increase, (4) renewal with a decrease, (5) replacement, (6) replacement with an increase, and (7) replacement with a decrease levies.
4. For purposes of this certification, we suggest you round the millage to the nearest tenth (.0.1) of a mill. This insures that whole cents will be presented here and on the ballot.
