SNOW EMERGENCY STREET LIST

During a snow storm, the Wood County Sheriff may declare a “snow emergency” with three different levels of severity for Wood County. The Perrysburg Township Chief of Police may independently declare a “snow emergency” solely for Perrysburg Township.

Regardless of the “snow emergency” level declared by the Wood County Sheriff, if a “snow emergency” is declared by the Perrysburg Township Chief of Police ***no parking is permitted on the identified snow emergency streets listed below.*** This is to ensure streets are plowed full width to the curb. Violators may be cited and/or have their vehicles towed.

All streets within the subdivisions listed below are identified as snow emergency streets
