## OFF-STREET PARKING AND LOADING REQUIREMENTS<sup>1</sup>

### SECTION A. OFF-STREET LOADING REQUIREMENTS

1. In any district, in connection with every building or part thereof hereafter erected and having a gross floor area of ten thousand (10,000) square feet or more, which is to be occupied by manufacturing, storage, warehouse, goods display, retail store, wholesale store, market, hotel, hospital, mortuary, laundry, dry cleaning, or other uses similarly requiring the receipt or distribution by vehicles of material or merchandise, there shall be provided and maintained, on the same lot with such building, at least one (1) off-street loading space plus one (1) additional such loading space for each twenty thousand (20,000) square feet or major fraction thereof of gross floor area in excess of twenty thousand (20,000) square feet.
2. Each loading space shall not be less than ten (10) feet in width, twenty-five (25) feet in length, and fourteen (14) feet in height.
3. Subject to the limitations in Section B of this Article, such space may occupy all or any part of any required yard or court space.
4. No such space shall be located closer than fifty (50) feet to any other lot in any "R" or "PUD-R" District, unless wholly within a completely enclosed building or unless enclosed on all sides by a wall or uniformly painted board fence not less than six (6) feet in height.

### SECTION B. OFF-STREET PARKING SPACE REQUIREMENTS

1. GENERAL REQUIREMENTS  
In all districts, in connection with every industrial business, institutional, recreational, commercial, residential or any other use, there shall be provided, at any time any building or structure is erected or is enlarged or increased in capacity, off-street parking spaces for automobiles in accordance with the following requirements:
  - a. A parking lot shall have minimum rectangular dimensions of not less than ten (10) feet in width and eighteen (18) feet in length for ninety (90°) degree parking, nine (9) feet in width and twenty-three (23) feet in length for parallel parking, ten (10) feet in width and twenty-one (21) feet in length for sixty (60°) degree parking, and twelve (12) feet in width and twenty (20) feet in length for forty-five (45°) degree parking. All dimensions shall be exclusive of driveways, drive aisles, and other circulation areas.
  - b. There shall be adequate provisions for ingress and egress to all parking spaces. Where a lot does not abut on a public or private alley or street or easement of access, there shall be provided an access drive not less than eight (8) feet in width in the case of a dwelling, and not less than eighteen (18) feet in width in all other cases, leading to the parking or storage area or loading or unloading spaces required hereunder in such manner as to secure the most appropriate development of the property in question, but, except where provided in connection with a use permitted in an "R" or "PUD-R" District, such easement of access or access drive shall not be located in any "R" or "PUD-R" District.

3. RULES GOVERNING THE DETERMINATION OF REQUIRE NUMBER OF SPACES  
 In computing the number of spaces required in Section B, Subsection 2, of this Article, the following rules shall govern:
  - a. "Floor area" shall mean the gross floor area of the specified use.
  - b. Where fractional spaces result, the parking spaces required shall be construed to be the next highest whole number.
  - c. **Requirements for Uses Not Specified.** Where the off-street parking requirement for a use is not specifically defined in the Parking Spaces Matrix of Section (B), the parking facilities required for such use shall be developed so as to be sufficient to meet the average parking needs of the proposed use; no parking, loading or servicing shall be done on the right-of-way of any publicly dedicated thoroughfare.
  - d. Whenever a building or use constructed or established after the effective date of this Resolution, or any amendment thereto, is changed or enlarged in floor area, including patio and terrace areas, number of employees, number of dwelling units, seating capacity or otherwise, to create a need for an increase of ten percent (10%) or more in the number of existing parking spaces, such spaces shall be provided on the basis of the enlargement or change. Whenever a building or use existing prior to the effective date of this Resolution, or any amendment thereto, is enlarged to the extent of fifty (50) percent or more in floor area including patio and terrace areas or in the area used, said building or use shall then and thereafter comply with the parking requirements set forth herein.<sup>5</sup>
  - e. All areas not used for access, parking, circulation, buildings and services shall be completely or permanently landscaped and the entire site maintained in good condition.
  - f. **Flexibility in Requirements.** If the expected need for off-street parking facilities of a particular use is uncertain, or in circumstances where the need for off-street parking facilities is assessed to be less than the minimum requirements set forth in this Chapter, a waiver in the parking requirement, it may be deemed appropriate by the Zoning Commission so that up to fifty (50) percent of the

required parking area to remain unimproved and retained in a landscaped area. It may require, at any time it deems appropriate, that some or all of the land be improved as a parking area to meet increasing parking demands. The land area of the deferred required parking shall be maintained in an open space reserve and shall be landscaped pursuant to an approved Landscaping Plan and all regulations and requirements set forth in Article VIII (Landscaping and Buffering).

4. **PARKING IN RESIDENTIAL AREAS<sup>6</sup>**

- a. No off-street parking areas shall be permitted in any residential district, use and property other than such as are used exclusively in connection with and as an appurtenance or facility to dwellings and apartment buildings except for parking in driveway or designated parking area. All parking areas shall be paved hard surface and dust free.
- b. No off-street parking shall be permitted in the required grass area (unpaved) of the front yard of any residential district, use or property. Parking areas shall be set back from street in conformity with the established setback requirements for residential district, use or property in that designated agricultural and residential district.
- c. Adequate ingress and egress for vehicles shall be provided and shall not, insofar as possible, be developed in a manner as to adversely affect adjacent residential district, use or property.
- d. No driveway shall be closer than four (4) feet to a property line. This setback is reduced to two (2) feet in "R-3", "R-4," and "R-4A" Districts.

**SECTION C. SPECIAL PARKING PROVISIONS**

- 1. **DISABLED, ABANDONED, JUNK VEHICLES IN ANY DISTRICT**  
The parking of an inoperable, disabled, abandoned, or junk vehicle is prohibited.
  - a. Exceptions are permitted subject to the following conditions:
    - (1) May be stored in an enclosed garage or other enclosed accessory structure and no business is conducted with said vehicles.
    - (2) After a reported accident but for a period of not more than two (2) weeks if said vehicle is owned and was operated by the property owner or his immediate family.
- 2. **DISABLED, ABANDONED, JUNK VEHICLES IN ANY DISTRICT**  
The parking of an inoperable, disabled, abandoned, or junk vehicle is prohibited.
  - a. Exceptions are permitted subject to the following conditions:

---

<sup>6</sup> History: Amended Effective January 16, 2013

## SECTION C. SPECIAL PARKING PROVISIONS (Contd.)

- (1) May be stored in an enclosed garage or other enclosed accessory structure and no business is conducted with said vehicles.
  - (2) After a reported accident but for a period of not more than two (2) weeks if said vehicle is owned and was operated by the property owner or his immediate family.
  - (3) May not conflict with Article VII, Section S (Performance Requirements) and/or Article VII, Section P (Motor Vehicle Salvage Yards and Junk Yards) of this Resolution.
  - (4) **Junk Vehicle.** For the purpose of this section, junk vehicle means any motor vehicle meeting the requirements of divisions A, B, C, D, and E of ORC 505.173. See: ORC 505.173, at seq. Storage of junk motor vehicles.
  - (5) **Historical or Collectors' Vehicles.** Historical or collectors' vehicles may be allowed under the same provisions as in Section C.1.a. (1-3) above.
3. TRAILERS, MOTOR HOMES, RECREATIONAL VEHICLES  
The outdoor storage of not more than two (2) of the following - unoccupied recreational vehicle, self-propelled or trailered, utility trailer, boat trailer, or horse van and trailer shall be permitted on a residential lot, subject to the following conditions:<sup>7</sup>
- a. Recreation and utility equipment parked or stored shall be owned by the occupant of the residence, shall not have fixed connections to electricity, water, gas or sanitary sewer facilities, and at no time shall this equipment be used for living or housekeeping purposes
  - b. If the recreation or utility equipment is parked or stored outside of a garage, it is permitted between April 1<sup>st</sup> and October 31<sup>st</sup> of each calendar year in the side or rear yard or paved driveway provided that the recreation or utility equipment is not closer than ten (10) feet to any lot line and not permitted between November 1<sup>st</sup> and March 31<sup>st</sup> of each calendar year, except in side or rear yard and then only if the recreation or utility equipment is not closer than ten (10) feet to any lot line. On one (1) lot, there shall be no more than two (2) pieces of equipment parked or stored outside. A mounted piece of equipment is construed as one (1) piece, disassembled as two (2) pieces.<sup>8</sup>
  - c. Notwithstanding the provisions of Subparagraph (b), recreation and utility equipment may be parked in a paved area anywhere on the premises for loading and unloading purposes, for a period of not more than seventy-two (72) hours in a one month period.<sup>9</sup>
  - d. All recreational and utility equipment must be kept in good repair.

**SECTION D. SECTION C. SPECIAL PARKING PROVISIONS (Contd.)**

- a. Any variance of these conditions shall be considered by the Board of Zoning Appeals.
2. TRUCK, TRACTOR, OR SEMI-TRACTOR PARKING.  
Outdoor parking of the following described vehicles are not permitted in an "R" or "PUD-R" District:<sup>10</sup>
  - a. Straight trucks over one (1) ton capacity.
  - b. Farm tractor or a powered vehicle designed to pull farm machinery, haul loads, or for any type of agricultural work.
  - c. Semi-tractor or motor vehicle with a driver cab and no body, designed for hauling semi-trailers.
  - d. Semi-trailer or detachable trailer designed to be attached to a coupling at the rear of a tractor.
  - e. Trucks defined in this section shall not leave the engine idling on private property for longer than thirty (30) minutes.
  - f. The outdoor parking of a truck, van, semi-trailer, or detachable trailer for the purpose of storage shall not be permitted in any district.
3. DEVELOPMENT AND MAINTENANCE OF PARKING AREAS  
Every parcel of land hereafter used as a public, commercial, or private parking area shall be developed and maintained in accordance with the following requirements:
  - a. All parking spaces required herein shall be located on the same lot within the same building or use served, except that where an increase in the number of spaces is required by change or enlargement of use, or where such spaces are provided collectively or used jointly by two (2) or more buildings or establishments, the required spaces may not be located in excess of three hundred (300) feet from an institutional building served or five hundred (500) feet from any other nonresidential building served.
  - b. Not more than fifty (50) percent of the parking spaces required for: (a) theaters, bowling alleys, dance halls, night clubs, or cafes, and up to one hundred percent (100%) of the parking space required for a religious place of worship or school auditorium may be provided and used jointly by; (b) banks, offices, retail stores, repair shops, service establishments, and similar uses not normally open, used, or operated during the same hours as those listed in (a); provided, however, that written agreement thereto is properly executed and filed as specified in Subsection (c) hereof.<sup>11</sup>

<sup>11</sup> HISTORY: Amended Effective February 18, 2005

## SECTION C. SPECIAL PARKING PROVISIONS (Contd.)

- c. In any case where the required parking spaces are not located on the same lot with the building or use served, or where such spaces are collectively or jointly provided and used, a written agreement thereby assuring their retention for such purposes shall be properly drawn and executed by the parties concerned, approved as to form by the Township Solicitor and executed by the Trustees of the Township and shall be filed with the application for a building permit.
- d. **Screening and Landscaping.** Off-street parking areas for more than five (5) vehicles shall be effectively screened on each side which adjoins or faces premises situated in any "R" or "PUD-R" District, or institutional premises, by a masonry wall or solid fence of acceptable design or a landscape mound four (4) feet in height with 3:1 slopes landscaped with trees and random plantings or shrubs or other plant material. The wall or fence shall not be less than four (4) feet or more than seven (7) feet in height and shall be maintained in good condition without any advertising thereon. The space between such wall or fence and the lot line of the adjoining premises in any "R" or "PUD-R" District shall be landscaped with grass, hardy shrubs, or evergreen ground cover and maintained in good condition. In lieu of such wall or fence, a strip of land not less than twenty-five (25) feet in width and planted with an evergreen hedge or dense planting of evergreen shrubs not less than four (4) feet in height may be substituted, and this shall be maintained in good condition. Plant material shall reach 75 percent of opacity at the time of planting. Parking lots containing more than six thousand (6,000) square feet of area or fifteen (15) or more parking spaces shall provide interior landscaping as stipulated in Article VIII, Section C (Off-street Parking Area Landscaping).<sup>12</sup>
- e. **Minimum Distance and Setbacks.**
- (1) Off-street parking facilities may be located within the required front yard of any "C" District or "I" District, but shall not be nearer than fifty (50) feet to any "A" usage that is a residential use or "R" or "PUD-R" District and no off-street parking shall be permitted in the required front yard of any "A" usage that is a residential use or "R" or "PUD-R" District.<sup>13, 14</sup>
  - (2) No part of any parking area for more than five (5) vehicles shall be closer than ten (10) feet to any dwelling, school, hospital, or other institution for human care located on an adjoining lot, unless separated by an acceptably designed screen.
  - (3) In no case shall any part of a parking lot be closer than ten (10) feet to any established street or alley right-of-way.
  - (4) The wall or hedge required in Subsection (a) hereof shall be set back from each street, the same as if it were a building wall, so as to observe the front yard and side street yard requirements of this Resolution.
